97%**

Tracking Retention began in the 2023-24 Academic year

Supporting students through programs geared towards college readiness, career exploration, and academic development.

Dual Credit Support

Students enrolled in Blinn College dual credit courses will have access to the student success coach on a weekly basis at their high school. The success coach provides:

- Course selection advisement
- Study skills support
- Online systems navigation
- Student success strategies

Academic Success

Guiding students towards success in college level and advanced coursework:

- Understanding the importance of communicating with instructors
- Applying success strategies
- Encouraging students to understand how they learn best

Career Awareness

Deciding what career a student will go into is a critical decision and process for high school students. The success coach helps support campus career exploration by providing:

- Career interest assessments
- One-on-one career planning
- Career guidance lessons

**ACCSS HAS
AWARDED DUAL
CREDIT STUDENTS
OVER \$56,000 IN
SCHOLARSHIP FUNDS**
